July 1, 2006

Missouri Revised Statutes  
Chapter 217  
Department of Corrections  
Section 217.575

August 28, 2001

Sales of goods or services to state or political subdivisions --promotion--price--certification of nonavailability required for state purchases, when.

**217.575.** 1. All goods manufactured, services provided or produce of the vocational enterprises program of the state shall, upon the requisition of the proper official, be furnished to the state, to any public institution owned, managed or controlled by the state, or to any private entity that is leasing space to any agency of the state government for use in space leased to the state agency, at such prices as shall be determined as provided in subsection 4 of this section.

2. No goods or services so manufactured, provided or produced shall be purchased from any other source for the state or public institutions of the state unless the department shall certify the goods or services included in the requisition cannot be furnished or supplied by the vocational enterprises program within ninety days, or, in the event the same goods or services cannot be procured on the open market within ninety days, that the vocational enterprises program cannot supply them within a reasonable time. No claims for the payment of such goods or services shall be audited or paid without this certificate. One copy each of the requisition or certificate shall be retained by the department.

3. The division of purchasing and the division of design and construction shall cooperate with the department in seeking to promote for use by state agencies and in state-owned or -occupied facilities the products manufactured and services provided by the vocational enterprises program.

4. The vocational enterprises program shall fix and determine the prices at which goods and produce so manufactured and produced and services so provided shall be furnished, and the prices shall be uniform to all. The cost shall not be fixed at more than the market price for like goods and services.

5. Any differences between the vocational enterprises program and the state, its departments, divisions, agencies, institutions, or the political subdivisions of the state as to style, design, price or quality of goods shall be submitted to arbitrators whose decision shall be final. One of the arbitrators shall be named by the program, one by the office, department, political subdivision or institution concerned, and one by agreement of the other two. The arbitrators shall receive no compensation; however, their necessary expenses shall be paid by the office, department, political subdivision or institution against which the award is given, or, in the event of a compromise decision, by both parties, the amount to be paid by each party in portions to be determined by the arbitrators.

6. The vocational enterprises program may sell office systems and furniture to any department, agency, or institution of the state or any political subdivision of the state either through outright purchase or through payment plan agreement, including handling charges, over a specified number of months contingent on the solvency of the working capital revolving fund. Prior approval shall be required by the division of design and construction for state agencies in situations where the office of administration controlled state-owned office space is involved and space in which a lease contract executed by the office of administration is in effect.

(L. 1982 H.B. 1196 § 101, A.L. 1989 H.B. 408, A.L. 1994 S.B. 763)

Catalog of products furnished public officers--institutions to report estimates of needs.

**217.580.** 1. The department shall develop a program to promote the products and services available from the vocational enterprises program.

2. Once every year, the vocational enterprises program shall issue a descriptive list of the styles, designs, qualities and types of goods, materials or services available for the ensuing year.

3. On July first of each year the proper officers of the state and of the divisions, agencies and institutions and political subdivisions of the state shall report to the vocational enterprises program estimates for the ensuing year of the amount of supplies of different kinds or the types of services required to be purchased by them that can or may be furnished by the vocational enterprises program.

(L. 1982 H.B. 1196 § 102, A.L. 1989 H.B. 408, A.L. 1994 S.B. 763)

A Best Value Solution

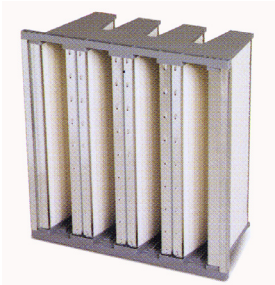

MVE Filtration Services believes that clean air is essential to life, no matter where you are or what you do. When you buy through MVE Filtration Services, you get these advantages:

- Ease of procurement without any dollar threshold.
- Direct ordering from a government supply source.
- One-stop shopping.
- Years of experience with clean air solutions.
- Products to meet a wide variety of applications.
- Free quotes and specification assistance.
- Internet ordering.
- Quality products.
- Specials, and most importantly, a COMPETITIVE PRICE.

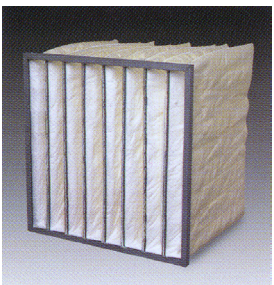

MVE Filtration Services provide a one-stop source for your total filtration needs. With many different products, we have the right solution to help you achieve and maintain the clean, quality air you want in your facility.

About MVE

Missouri Vocational Enterprises (MVE) is a part of the Division of Offender Rehabilitative Services under the Missouri Department of Corrections. MVE utilizes offender labor, along with supervisors and administrative staff, to provide products and services to state agencies and other tax-supported entities. Great pride is taken in providing quality, efficiency and timely support to all of our customers.

Missouri Vocational Enterprises (MVE) is responsible for 28 different industries, services and agri-business operations located in ten correctional institutions throughout the state. Since it's beginning over 100 years ago, the program has been revised and expanded. At any one time, MVE employs approximately 1,300 offenders who provide a variety of products and services for sale to state agencies, city and county governments, political subdivisions, state employees and not-for-profit organizations. Its goal is to increase employment and training opportunities for offenders.

Varieties of vocational training programs are provided in various institutions throughout the state. Funding is obtained from the profits of MVE. Programming is directed at teaching offenders applicable work skills and habits prior to their release from prison. Some of the training programs include auto & diesel repair, upholstery, furniture and cabinet construction, carpentry and small engine technology.

As a benefit to the state and to taxpayers, MVE is self-supportive. Proceeds from the sale of our products are returned to the organizations revolving fund for operational expenses; i.e. salaries, equipment, raw materials, etc.

MVE activities are authorized by Missouri State Statutes, Section 217.575 and 217.580. The statute requires that any products or services produced by MVE must not be purchased from any other source without first obtaining a waiver from MVE. Additionally, orders may be placed directly to MVE, without utilizing the bid process.

Plastic Bags from MVE

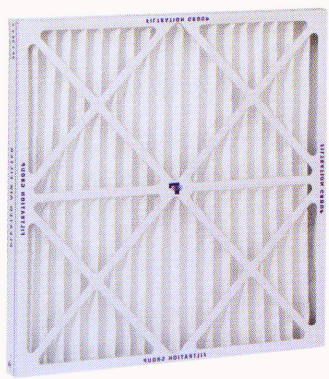

MVE now offers plastic bags for a variety of uses. Any bag 7” to 98” long and 0” to 51” wide can be manufactured by MVE for your unique application. All bags are manufactured using 30% recycled material. Contact your MVE Sales Representative about your custom plastic bag needs.

## Cartons

### Corrugated File Boxes

Also known as transfer boxes, these are shipped flat and set up quickly. Convenient storage for letter and legal files, these File Boxes are made of 200 lb. test corrugated fiber board and are strong enough to stack without shelving. Large hand-holds in each end aid in stacking. Available with full flaps, lids, and liner with large handholds. Liners sold separately to strengthen box. Other sizes available, including 275 lb. test cartons. Inside dimensions are shown Lg. x Wd. x Dp. Minimum order is 100 each per size.

### Corrugated Cartons

Strong, 200 lb. test cartons in regular slotted style with full flaps. Shipped flat to set up quickly. Other sizes available, including 275 lb. test cartons. Inside dimensions are shown Lg. x Wd. x Dp. Minimum order is 100 each per size.

### Double-Face Corrugated Sheets

Used to make packaging sandwiches between flat objects such as signs. Also used between pallets and material. 200 lb. test, 1/8" thick. Other sizes available, including 275 lb. test cartons. Minimum order is 100 each per size.

**A-2602 Size 18" x 27" -\$4.88**

**Laundry Cart Cover**  
This 10 oz. duck canvas Cart Cover features grommets around the top for rope.  
**A-2605 16 bu. -\$44.55**  
**A-2606 10 bu. -\$36.10**

## Laundry Products

### Nonphosphate Chlorine Bleach

For use in any laundering operation where the use of chlorine bleach is indicated. This is phosphate free bleach.

**F-410** 50 lb. can -\$35.70

### Heavy Duty Automatic Laundry Detergent

A suds-controlled liquid concentrate for automatic laundry machine uses. For use in either hot or cold water.

**F-412A** 1 gal. Plastic jugs - case of four -\$21.35

### Laundry Soap Compound, Tallow Base

A heavy duty "one shot" built soap compound formulated for use in soft water at high temperatures (over 140°F). Requires no extra alkali for average soil.

**F-415** 50 lb. box -\$37.90

### Laundry Sour

The ultimate sour for the professional laundry. Combines maximum neutralization of excess alkalis with reasonable cost. Prevents yellowing of fabrics in the dryer or flatwork ironer. Contains brighteners.

**F-420** 50 lb. can -\$37.90

### Blue Laundry Sour

A formula for those who have the need of a bluing in the sour bath.

**F-420B** 50 lb. can -\$37.90

### Oxygen Safety Dry Bleach

A sodium perborate-type bleach for use on fabrics and colors that preclude the use of chlorine bleach.

**F-433** 20 lb. can -\$19.65

**F-433B** 10 lb. can -\$11.15

### Household Fabric Softener/Sanitizer

A liquid fabric softener formulated for use in home-type washing machines.

**F-434A** 1 gal. Plastic jugs - case of four -\$13.30

### Powdered Fabric Softener/Sanitizer

A powdered fabric softener formulated for use in commercial-type laundry machines.

**F-436** 25 lb. can -\$58.00

## Janitorial Products

### All-Purpose Cleaner

A concentrated, neutral stabilized, high-foaming composition for general deep cleaning purposes.

**F-103A** 1 gal. Plastic jugs - case of four -\$19.00

### Neutral Floor Cleaner

Designed for cleaning by mopping or machine scrubbing. Removes rubber burns from all composition floors. For damp mopping waxed floors, use 1-2 ounces per gallon of cold water. For cleaning heavily soiled floors, use 2-4 ounces per gallon of warm water.

**F-106A** 1 gal. Plastic jugs - case of four -\$16.15

### Window and Mirror Cleaner

A ready to use Window and Mirror cleaner that produces a polish and is resistant to soiling.

**F-109A** 1 gal. Plastic jugs - case of four -\$16.05

### Hi-Speed Burnishable Floor Finish

Designed for a high gloss finish, to be maintained by Hi-Speed burnishing.

**F-110A** 1 gal. Plastic jugs - case of four -\$42.40

### Floor Finish

Designed to give a maximum gloss, rubber mark resistance, and abrasive resistance without powdering. F-111A is semi-buffable, and lends itself to dry and spray buffing. It is readily removed by F-114A Stripper.

**F-111A** 1 gal. Plastic jugs - case of four -\$38.90

### Floor Sealer

Designed to restore color and produce a surface seal on porous and chemical or physically damaged floors. F-112A is extremely glossy, and provides an excellent base coat for our F-111 finishes. It may be readily removed by F-114A Stripper. F-112A should NOT be used as a top coat. It should always be top-coated with a floor finish.

**F-112A** 1 gal. Plastic jugs - case of four -\$34.60

### H.D. Floor Cleaner

For deep cleaning heavily soiled floors, and for degreasing and paint spot removal of floors, use 11 - 12 ounces per gallon of hot water, depending upon amount and type of soil.

**F-113A** 1 gal. Plastic jugs - case of four -\$20.60

# Janitorial Products

## Polymer Stripper

Designed for complete removal of synthetic polymer type floor finishes and sealers such as F-111A and F-112A. Use one part of F-114A to four parts of warm water. Apply to floor and keep floor wet for five minutes. Machine scrub to remove finish. F-114A will remove heavy build-up along mop boards and in corners. Always use the proper dilution for best results.

**F-114A     1 gal. Plastic jugs - case of four    -\$24.85**

## Dust Mop Treatment

A dust control agent applied directly to dust mops and dust cloths using a trigger sprayer.

**F-115A     1 gal. Plastic jugs – case of four    -\$29.20**

## Pine Scent Disinfectant/Detergent

A concentrated liquid soap containing pine oil for cleaning and general disinfecting. Also adds that fresh pine fragrance.

**F-202A     1 gal. plastic jugs - case of four    -\$37.90**

## Special Deodorant

A unique new method of odor control. It is the most effective product yet to be developed, and the field of application is endless. It functions as both an odor mask and a neutralizing medium. Highly concentrated. DO NOT USE TOO MUCH - USE SPARINGLY!

**F-204A     1 gal. Plastic jugs – case of four    -\$45.35**

## Disinfectant and Sanitizer 205M - 7.5%

Disinfectant-Sanitizer-Fungicide-Virucide-Deodorizer with Organic Soil Tolerance for Hospital, Institutional, Industrial, School, Dairy, and other Farm use. EPA Approved.

**F-205A     1 gal. Plastic jugs - case of four    -\$20.30**

## Sprayer Bottle

An adjustable trigger sprayer and a 22 oz. plastic bottle for use with window cleaner and special deodorant.

**F-521       1 each    -\$2.32**

## Mop Heads

Features of this 24 oz. Mop Head include: 100% cotton; four-ply clear yarn; no cotton seeds; eight twists to the inch; three-inch center band; 3/8” tape sewn on top side for radial flare about three inches from end.

**A-2701       \$4.88 each**

# Laundry Products

## Sodium Orthosilicate

Laundry alkali and soap builder containing a minimum of 60% Na2O. Used for neutralizing any acidity, as well as for suspending dirt and emulsifying grease and oil. Boosts cleaning power of soaps and detergents, and easily rinses from fabrics. This is a heavy duty laundry builder.

**SN-5       Sold in 100 lb. increments    -\$ .70 per lb.**

## Sodium Metasilicate

Laundry alkali and soap builder containing 51% Na2O. This is the old standby alkali of the Industry. An excellent soil-suspending agent and emulsifier, and boosts cleaning power of soaps and detergents by regeneration.

**SN-13       Sold in 50 lb. increments    -\$ .45 per lb.**

## Laundry Soap Compound

A blend of alkalis, tallow base soap, and water softening ingredients and optical brighteners for use at high temperatures (over 140°F), where soft water is not available.

**F-403       50 lb. box    -\$36.75**

## Nonphosphate Laundry Detergent

Low suds synthetic detergent that is phosphate free.

**F-404       50 lb. box    -\$53.00**

## Automatic Laundry Detergent

A controlled-foam powdered detergent for automatic laundry use. Contains optical brightener.

**F-406       50 lb. box    -\$40.05**

**F-406B      10 lb. can    -\$11.25**

## Laundry Break Compound

A combination of effective alkalis and water softening ingredients. Helps keep soil in suspension, and boosts power of soaps and detergents by regeneration. Designed for use where soft water is not available.

**F-407       50 lb. box    -\$30.25**

## X-Tra Bright Chloral Bleach

A “top line” Chlorine bleach combining maximum stain removal with minimum tendering of fabric. Contains buffering agents.

**F-408       50 lb. box    -\$59.00**

## Laundry Detergent with Bleach

Designed for home laundry machines. This is a one-shot product which is formulated with bleach.

**F409       20 lb. can    -\$29.20**

**F409B      10 lb. can    -\$17.85**
